PRICE LIST  
FOR 1928

Super Glads

by

CHAS. E. F. GERSDORFF  
1825 North Capitol St.  
Washington, D. C.

Conditions seemed to warrant the present modest price list which is to be used in conjunction with my last catalog, a copy of which you received. In it you will note several changes. New choice varieties are being listed, with ratings derived by the A. G. S. Standard Scales. Some varieties, all excellent, are being dropped to make way for growing stocks of my own seedlings. These are usually in small supply, and are being offered at closing out prices with the collections,—The Remnant Collections which made such a decided hit at the fag end of last season—these collections being offered now.

I would like here to express my thanks for your valued patronage of the past, with a wish that I may be favored with at least a part of it this season.

### BUSINESS TERMS

The terms of sale in this price list supercede all others.

I am out of stock of all varieties not listed herein which appeared in my catalog. Please do not order any of these.

Twelve bulbs may be had for ten times the single rate, except where stock is marked limited, which are net. Prices are quoted for bulbs 1¼ inch and up, except where noted, and except when variety makes normally a smaller bulb. The largest blooming size available will be sent. Smaller sizes and bulblets are available in some instances, and prices are a matter of correspondence. Prices are for stock sent prepaid, healthy and true to name, and any proving otherwise will be cheerfully replaced.

DISCOUNTS. 5% extra in stock may be selected on orders from \$10.00 to \$25.00; 7% extra in stock on orders from \$25.00 to \$50.00; 10% extra in stock on orders over \$50.00. In addition, if a member of the A. G. S., give your membership number, and deduct 5% from the total of your order, or add to the total 7% extra in stock.

ORDER EARLY; NO ORDERS ACCEPTED AFTER APRIL 20, except for REMNANT COLLECTIONS which may be ordered up to May 30.

DO NOT SEND STAMPS. REMITTANCES should be by money order, draft or check; FOREIGN orders by money order only.

No shipments during freezing weather except at risk of purchaser.

WRITE NAME AND ADDRESS PLAINLY.

I can quote you by the hundred, early in the season, in first four sizes, on those varieties marked with an asterix. (\*)

## NEW LISTINGS

The figures to right of name are ratings by A. G. S. scales, and those in parentheses are by the old, to give you an idea of the effect of the use of the new scales in lowering ratings. Stocks of these are very limited—earliest orders will get them.

<b>ADELINA PATTI (Holland)</b> Stock limited 89.4.....	1.00
No. 3 bulbs. May 23, 100 days. Buds nearly black, unfolding to aster purple to mallow purple throat; lowers dusted yellow on bases; 4½ inches, 5 to 7 open. Color class, purple.

### TESTIMONIALS

I take pleasure in presenting to you a few testimonials, unsolicited, which I am printing by special permission of the authors, which may induce you who have not purchased from me, to become satisfied patrons also.

#### General, referring to stock and manner of filling orders.

South Haven, Mich., May 6, 1927.

The glad bulbs which you mailed to me on the second of May have been received, and I wish to thank you most heartily for the great care you took in marking and packing them; I have received bulbs from no one who has taken greater, or equal, pains to "deliver the goods" in so satisfactory a manner. Particularly, I wish to thank you for your generosity in sending to me gratis a "Petoskey" bulb and a "Freda"; if I had been permitted a choice, I could not have done better.

Respectfully yours,

(Signed) MRS. WATSON NICHOLSON.

Attleboro, Mass., May 10, 1927.

Your shipment of gladiolus bulbs, duly received, and in fine order. As there can be no reason for my small order having special attention, I conclude you just enjoy spreading through your business, as much happiness as you can. Your liberal count and carefulness of every detail in packing gave something of the joy of a Christmas package. I know I shall not want to miss a package from you another season.

Sincerely yours,

(Signed) GUY R. WILLIAMS.

I am making shipments to far away New Zealand and Australia, with success and with satisfaction to my patrons.

Barolin, Fairfield, N.S.W., Australia, Aug. 15, 1927.

The parcel of bulbs and bulblets which you so kindly held in cold storage until shipment the latter part of June, arrived safely and in fine condition.

Yours truly,

(Signed) KATE E. DOUGLAS.

Barolin, Fairfield, N.S.W., Australia, Aug. 15, 1927.

The parcel of gladiolus bulbs and bulblets safely to hand and I am quite delighted to have them. I thank you very much for letting me have bulblets of so many kinds.

Yours faithfully,

(Signed) B. DOUGLAS.

**Referring to my Remnant Collections. One of many.**

Watertown, Conn., May 12, 1927.

The package of bulbs arrived safely, and I investigated its contents as soon as I reached home. I thank you for the generous quantity. I do not know some of the kinds . . . and so anticipate much pleasure in their blooming. Thank you for the labels also.

Sincerely yours,

(Signed) (Mrs.) MAY LEWIS MORWAY.

### REMNANT COLLECTIONS

As at the end of last season, except that the offer is open earlier this time, I am offering collections of bulbs and bulblets to be selected from small lots of Test Garden Varieties, and small surpluses of varieties carried in my catalog. Selection must be left to me. Orders for these collections will be accepted up to May 30. Shipments start after close of regular season—April 20.

I offer Remnant Collections at \$2.00 each prepaid. For this sum you will receive at least \$4.00 worth of bulbs and bulblets in a well balanced collection, all varieties named. Orders accepted for any amount above \$2.00, you receiving at least double the amount of your remittance.

A word to the wise. GET YOUR ORDER IN EARLY FOR THESE COLLECTIONS.

### RECOMMENDED BOOKS

**Gladiolus**, by F. F. Rockwell. When making your selections for gladiolus bulbs, this book suggests where to place new plantings and how to select them. Later in the season the book is an indispensable guide to proper planting and care of the bulbs for greatest beauty and enjoyment. Illustrated—96 pages.....\$1.00

**The Book of Bulbs**, by F. F. Rockwell. Pictures and text take you into the garden and show the almost limitless possibilities that bulbs offer. Types are discussed and varieties appraised for their suitability to different uses. Complete information on growing and propagation. Illustrated—272 pages.....\$3.00

**The Rose in America**, by J. H. McFarland. Beautifully illustrated in color and sepia and replete with practical suggestions, this new and enlarged edition has an important place on every rose fancier's book shelf. Illustrated—233 pages .....\$3.00
